

Eye camp at CKT College of Arts, Commerce and Science
on the occasion of Women's day 2022

The Laxmi College of Optometry organized an eye camp for the students and staff of CKT College on 8th March 2022, aiming to promote better eye health and awareness. The camp provided free comprehensive eye check-up, including vision testing and examinations for common eye conditions. 3 optometry faculties, 31 students, 2 resident doctors and 2 camp coordinators from Laxmi College of Optometry participated in the activity to provide comprehensive eye check-up in mobile eye van and in college premises. The students and staff of CKT college had the opportunity to consult with experienced optometrists who offered valuable insights and guidance on maintaining good eye health. Total of 56 staff members 284 students got their eye check-up done. The event not only focused on addressing any existing visual issues but also emphasized the importance of regular eye examinations for overall well-being. The ocular health awareness talk was delivered by Vice-principal of the LCO, Dr Vidyut Rajhans on this occasion. The collaborative effort aimed to ensure that the CKT College students and staff could enjoy clear vision and prioritize their ocular health throughout their academic journey.
