
One day Workshop on Diabetic Retinopathy

A one day workshop on Diabetic Retinopathy organized by Laxmi College of Optometry in collaboration with L.V Prasad Eye Institute, Optometry Council of India and ZEISS, was held on 8th August 2020 on online portal. The event was attended by over 50 eye care professionals/Optometrists from different parts of India.

Workshop started with introductory speech by Mr. Premjeeth from Zeiss. The workshop included 3 parts pre assessment, followed by lecture and fun filled Quiz. Key speaker was Dr. PadmajaKumari Rani from L. V Prasad Eye Institute, Hyderabad. She delivered a talk on Overview of Diabetic Retinopathy, Grading and its Management to educate Eye care practitioners to diagnose Diabetic Retinopathy on Primary level and refer patient in good time. Lecture was followed by interesting Quiz which was conducted by Dr. PadmajaKumari Rani and all the participants were actively participated.

Participants were then asked to fill the online post assessment forms and appear for online Melbourne University Certification exam for their betterment.
