

## 2nd World Congress of Optometry (WCO 2017)

A new era of optometry in India is outset with this exquisite milestone of WCO convention initiated by India Vision Institute. The event was organized in conjunction with APOC from 11<sup>th</sup> to 13<sup>th</sup> of September 2017 in Hyderabad – India.

A total of 43 participants including 8 delegates and 35 students from LCO had enrolled in the convention.

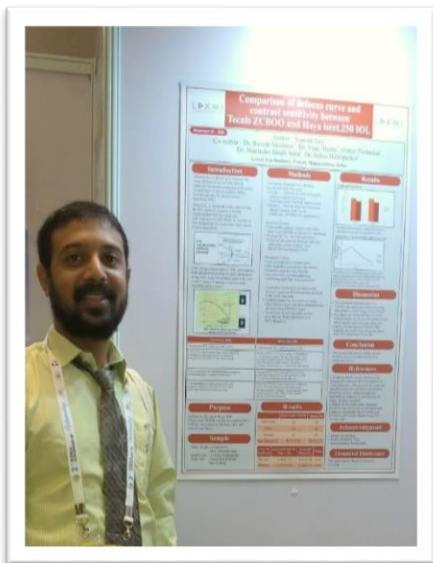

It was a creditable platform for 8 Scientific Research Posters and an oral presentation.

**Ms. Shradha Kadam - Scientific Oral Presentation**

**Mr. Soumik Dey - Poster Presentation**

**Ms. Swapnali Deshmukh - Poster Presentation**

**Ms. Geeta Kadam - Poster Presentation**

**Ms. Aarzo Ausekar - Poster Presentation**

**Ms. Snehal Chandane - Poster Presentation**

**Ms. Neha Mahabale - Poster Presentation**

**Ms. Sana Baig - Poster Presentation**

**Ms. Sonhita Pattanayak - Poster Presentation**

*Laxmi College of Optometry was immensely delighted to be a participator and a spectator of this event.*
