

## **17th Dr. E. Vaithilingam Memorial Scientific Session (E.V Memorial - 2018)**

On 24<sup>th</sup> and 25<sup>th</sup> of February , BSc. Optometry interns of Laxmi College of Optometry attended the 17th Dr. E. V. Memorial scientific session at Shankara Netralaya in Chennai.

There were various lectures held by national and international speakers based on Binocular vision and compassionate communication skills out of which the pinnacle was Dr. Mitchell Scheiman followed by competitions for scientific poster presentation, oral Presentation.

We were marveled to have Mr. Bhushan Chari (Faculty of LCO) to present a poster on Social Accountability of Laxmi Charitable Trust. Our final year students Ms. Zartash Naseeb, Ms. Devshree Ridhlan, Mr. Nishant Vallakati, Mr. Praful Patil and Ms. Huma Kalyankar to their Scientific E- posters at this glorifying Annual Scientific Convention and were awarded with travel grants .

It was a great experience to be a part of this remarkable culture in the Field of Optometry!
