

## **FRESHERS & FAREWELL REPORT**

On 04/03/2025, Laxmi College of Optometry hosted a memorable Fresher's Ceremony for the incoming batch of 2024-2025 (B9), marking the beginning of their academic journey and professional careers. This event was also paired with a Farewell Ceremony for the outgoing 3rd-year students as they prepared to transition into their internship phase. The event served as an opportunity to express appreciation and gratitude to both the new students and the outgoing interns, wishing them all the best for their future endeavours.

The event began with a warm welcome by the host, followed by an inspiring speech from our Vice-Principal, Mr. Rakesh Kaushal. Faculty member Mr. Suraj Shelar and Mr. Ashwin Pawar also addressed the audience, extending a heartfelt welcome to the new students and introducing them to the Laxmi College family. The organizing committee, along with LCO admin Mrs. Reshma Kute, made the fresher's feel at home with a warm reception. The event became even more memorable through fun-filled activities, games, and a cake-cutting ceremony.

In the second half, the LCO team shared their experiences and offered their best wishes for the interns' upcoming program. The outgoing interns also took the stage to express their gratitude, sharing their experiences from their academic journey and thanking their mentors, peers, and faculty. The program concluded with a series of dance performances, fun activities, and a gifting ceremony.

The Fresher's and Farewell Ceremony concluded with a vote of thanks from the host and heartfelt remarks from Vice-Principal Mr. Rakesh Kaushal, faculty members Mr. Suraj Shelar and Mr. Ashwin Pawar, Mrs. Reshma Kute from the administration department, and Mr. Prakash Jadhav, a supporting staff member. The event was both an emotional and celebratory occasion, as we welcomed the new batch of students and bid farewell to the 3rd-year students embarking on their internship journey.
