LAXMI

LAXMI COLLEGE OF OPTOMETRY

Intra-College Quiz competition - 2016

A very brain teasing and vying session of an Intra-College Optometry Quiz Competition was held on 24th of November, 2016 in Laxmi College of Optometry. All the students from Bsc.Optometry and Ophthalmic technician course took part in the quiz competition.

With the help of questionnaire based round, shortlisted participants were put in four different groups. These groups had various brain storming rounds that were rapid fire, picture quiz, multiple choice questions etc.The competition ended with declaring the highest scoring group that was Group C as the Winning team.

Not only a booster to the students knowledge and curiosity but this session also turned out to be really interactive with a great initiative of the participants, the College Committee and also the audience.

It was indeed a very educative and informative session!

Finalists Teams for the Grand Round

The winning team!
